**TRUSTEES' ANNUAL REPORT
FOR THE YEAR ENDED 31 MARCH 2020**

STRUCTURE, GOVERNANCE AND MANAGEMENT**Governing document**

Whitstable Umbrella Centre is governed by its new "Articles of Association", as amended at the Annual General Meeting on the 29 November 2019. This change was undertaken in order to update the Articles generally, and to take into account the various new rules which have come into place since the 7 September 2001, when both the old Articles and the "Memorandum of Association" were last signed by the Trustees. The new rules stipulate that the Memorandum of Association cannot be changed, and so these will remain as before, as a historical record.

Under the terms of the new Articles of Association the objects of the Whitstable Umbrella Centre remain the same as were contained in the Memorandum of Association;

- a) to promote (without distinction of sex, sexual orientation, race, political affiliation, religious or other opinions) any charitable purpose for the benefit of the inhabitants of Chestfield, Seasalter, Swalecliffe, Tankerton and Whitstable, Kent (the area of benefit) and without prejudice to the generality of the foregoing in particular;
- b) to relieve mental or physical sickness, disability or disorder, and to relieve the aged;
- c) to protect and preserve mental and emotional health and stability.

New Membership Rules

The new rules governing membership now stipulate that the only members of the Charity shall be those persons who are appointed as Trustees of the Charity, and all persons appointed as Trustees shall be admitted as members.

Board of Trustees

The Charity shall have a Board of Trustees comprising at least three members. For the avoidance of doubt, Trustees are "directors" for company law purposes and "trustees" for charity law purposes, and the personal details of all Trustees shall be filed with Companies House and the Charity Commission, as required by law.

Recruitment and appointment of trustees

The Trustees may at any time appoint additional Trustees, being persons who are considered able to contribute to the proper management and conduct of the business of the Charity and further its objects.

A copy of the new Articles of Association of the Umbrella Centre may be obtained from our Office, or from our website www.umbrellacentre.co.uk

Organisational structure

In accordance with the new Articles of Association, the Umbrella Centre will still hold an Annual General Meeting each year in October or November

Trustee Meetings are held on the third Tuesday of each month. Team Meetings, with Trustees and our much-valued part-time Administrators, Sally Newell and Charlotte Philip, are held fortnightly, in order to identify any problems that may arise, and to plan for the short-term. Our Administrators are line-managed by Trustee Julie Schoon (appointed 17 March 2020).

Our caretaking services are ably carried out by Craig Potter, who has held this post since 2018.

The key management personnel (as defined by the Charity SORP) are the Trustees and the Administrators mentioned above.

**TRUSTEES' ANNUAL REPORT
FOR THE YEAR ENDED 31 MARCH 2020**

Risk assessment

The Board of Trustees is responsible for identifying organisational risks, as outlined in our Business Plan for 2020/23. Copies of the Business Plan will be made available from our Office and our website.

We shall be extending our Lease arrangements with our tenants, the Umbrella Café C.I.C, and The Hive co-working space, both of whom continue to offer vital support to the Umbrella Centre, and to the local community. They are both much valued by the Trustees and staff.

OBJECTIVES AND ACTIVITIES

The Umbrella Centre continues as a vibrant community hub, where friendship, support, and opportunities are available to all.

The Business Plan for 2020/23 intends to build upon the current numbers of groups and activities, hosting others run by volunteers and outside agencies. Although the Umbrella Centre receives no direct funding from Canterbury City Council, we do receive a rent concession, and our income is generated by the rent received from both tenants, by hiring the Hall, our rooms, and our Community Bus, the BrollyBus, and by grants and donations.

We have modernised our structure, no longer having members, in line with many other charities. It had become increasingly difficult to attract members, and was time-consuming because of new GDPR legislation, in order to keep track of and in contact with them.

We have developed a number of new projects, funded through grant applications, and have received valuable donations, not least from The David Family Foundation, which has enabled us to plan a local Youth Panel and to further fund our volunteer-led Food Friends' initiative, which has grown significantly in recent months.

Challenging local and national conditions have resulted in an increased rent to the Council, amounting to an additional £8,000 per year; our rent is now £12,500. The age of the building, and the ad hoc development of the heating and lighting systems do not meet modern standards, and we are committed to applying for funding to bring these up to date. Continuing countryside austerity, now made unavoidable due to the Covid-19 pandemic, has had a dramatic impact on us all.

With these constraints in mind, over the three year life of the new Business Plan, the Trustees are committed to:-

- At least maintain the current level of service to the community, and to develop new grant-funded projects each year;
- Increase revenue to meet the challenging financial demands;
- Improve the heating and lighting in the Hall to make it an even more desirable hire option;
- Organise a thorough reconsideration of the roles and responsibilities of Trustees, staff, and volunteers in order to create a system which takes full advantage of our strengths, and to meet the demands of a busy inclusive Community Centre;
- Build on existing ways of receiving feedback from the local community to ensure the Umbrella Centre's services and provisions meet the needs of the widest possible audience.

**TRUSTEES' ANNUAL REPORT
FOR THE YEAR ENDED 31 MARCH 2020**

Performance

The Trustees had hoped to continually build on the successful base that we had built up in recent years, but, just ahead of the end of our financial year, to the 31 March 2020, the world was hit by the Covid-19 pandemic, and the Umbrella Centre was forced to temporarily close down, along with our tenants, the Umbrella Café C.I.C. and the Hive co-working space, on the 20 March 2020. This will of course have a profound impact on the work that we are able to offer in the months ahead.

However, ahead of the lockdown, the Umbrella Centre had launched and assisted with many projects and initiatives, as follows:-

- We began a crowd-funded collection to put Christmas parcels together for the vulnerable and homeless in our community. In a few short weeks, with the help of the Umbrella Café C.I.C., we raised over £800 from local people.
- We continued to support our Food Friends' initiative with the indomitable Anna Mantell, who has worked tirelessly to get the project up and running. Food Friends is a service whereby people can be referred through social services, local charities, friends, or they may refer themselves. Anna and her fellow volunteers unite local cooks with neighbours who are socially isolated or not able to cook for themselves. Not only does the diner get a nutritious meal, but friendships are formed, connections are made, and communities are opened up.
- The "Community Fridge" is a new project which seeks to reduce food waste produced by local food businesses. Established in other parts of the country, this project fosters links with local supermarkets to provide us with their excess stocks, such as cheese, ready meals, milk, bread, and pastries. Local residents can also donate their fresh produce to the Community Fridge, and eventually we would hope that local businesses will also be able to donate their surplus stock.
- We forged a relationship with the local Job Centre in Canterbury, and set up a fortnightly Advice Drop-In service for those needing information about benefits, disability access, and working and employment advice.
- We host the Canterbury Housing Advice Centre for free, once a week, allowing local residents to seek advice and support with any housing issues.
- We have continued to offer free Hall hire to Canterbury Food Bank's "Food Distribution Centre" once a week, on Thursday mornings. At Christmas, we also collected donations from the community, and had a donation collection in our downstairs Lobby.
- We have set up new groups – such as the Art and Creative group for people to attend on a drop-in basis. This is in a social setting, rather than a directed art class, providing an outlet for stress relief, and to explore self-expression and the learning of new skills.
- Another new group is a peer-led Chronic Pain Support group. Our dedicated volunteer has conquered her own issues with chronic pain and its repercussions, and now leads this relaxed session every fortnight. With visiting speakers, this is proving to be a popular group.
- We also offer free room hire to a number of other support groups, including "Altogether Extraordinary", which provides a space for those with ADHD and autism, so that they may connect with other individuals or families with similar experiences.
- Our Parasol Club has continued to support those in the community with mental health and additional needs. Meeting twice a week allows those in this group to keep connected, create social support, and feel safe. They take regular trips in our BrollyBus – and are a welcoming group to newcomers.

**TRUSTEES' ANNUAL REPORT
FOR THE YEAR ENDED 31 MARCH 2020**

Performance

- Our IT support groups are popular with those looking to learn new skills or find help with a particular technical issue. Our volunteers, lead by Trustee David Fisher, provide two sessions a week for £2.00 per session, as well as leading a free six-week programme called "Learn My Way".

- We also hold a weekly "Stay and Play" session for local families – a place to build friendships, learn, grow, and find support.

- We also host a long list of other activities, advertised on our website and in our Lobby, and we are always keen to support new business and groups with reduced hire fees, where appropriate, and can also offer free space, for a limited time, to new start-up groups, to see if there is a market for the new scheme in the long term. At present, we host:

Farmers' Markets
Weekend Antique Fairs
Record Fairs
Craft Fairs
Book Clubs
Over Fifties' Dance Classes
Tai Chi
Chi Ball
Karate
Yoga
Fitness Classes for the Over Fifties
Art & Craft Clubs
Short Mat Bowls
Children's' Dance Classes
Football Classes
Baby Music Groups
Spanish After-School Club
Bereavement Support Groups
Positive Birth Groups
A British Sign Language Group
Walking Groups
A Meditation Group

The last two groups have been funded by Canterbury City Council, in collaboration with local volunteer group, Red Zebra Community Solutions.

The BrollyBus has been supported during the past two years by Serco, although this funding has now ended and we are actively seeking new funding for it.

We also host a long list of other activities, as you will see from a glance at our weekly timetable (online, on our Lobby blackboard, and on a printed sheet available from the Office) and we are always keen to support new businesses and groups with reduced hire fees, where appropriate.

**TRUSTEES' ANNUAL REPORT
FOR THE YEAR ENDED 31 MARCH 2020**

FINANCIAL REVIEW**Financial position**

The Trustees continue to closely monitor our costs, while also being able to offer more and more events and classes for the people of Whitstable. We have recently reviewed our hire charges, and so as to remain locally competitive, we have not so far increased our hire fees. However, we have streamlined our hire rate criteria, with a standard rate for commercial and private hirers, a 25% discounted rate for charities and non-profit organisations, and a “free” rate for small groups and activities that closely align to Umbrella Centre charitable objectives, so as to support small groups or self-declared underfunded charities that deliver an activity or a service that the Umbrella Centre would run itself, but has no current capacity to do so.

Although the Charity incurred an unrestricted deficit of £19,030 during the year, because of the effects of depreciation of the fixed assets which are kept in a designated fund, the unrestricted general fund only reduced by £4,978. As at 31 March 2020 the charity has unrestricted reserves of £58,263 to carry forward. Of this amount, £20,000 has been designated for the Emergency Closure fund, and £25,490 for the Fixed Asset fund and the balance of £12,773 is about £4,000 under the required amount of our Reserves Policy.

Reserves Policy and going concern

The Centre's Reserves Policy stipulates that the Centre shall have in reserves, a figure of between three and six months' turnover (excluding restricted funding). The Trustees believe that there is no reason to assume that this figure needs to be reviewed downwards in the coming year.

The Trustees have reviewed the Charity's budgets and cash flow forecasts for the next 12 months, and based on these have a reasonable expectation that the charity will have adequate resources to continue in operational existence for the coming year providing that we are able to operate under any restrictions placed on us by the Government in respect of Covid-19. Accordingly, they continue to adopt the “going concern” basis in preparing the financial statements.

PLANS FOR FUTURE PERIODS

As at the date of signing these Financial Statements, the Umbrella Centre is operating at a reduced level due to Covid-19.

**TRUSTEES' ANNUAL REPORT
FOR THE YEAR ENDED 31 MARCH 2020**

PUBLIC BENEFIT

The Centre is committed to ensuring that it remains of public benefit, and ensures that this is achieved by:-

- Providing a minimum 15 hours' worth of free or subsidised activity per month to charitable and community organisations, including our support group for those at risk of social isolation which is run by our volunteers ;
- Operating a Community Garden and ad hoc events for the general public ;
- Providing up to £5,000 of free use of its space through an annually agreed rent remission process which gives priority to groups who provide free welfare or support services ;
- Remaining a high quality and accessible venue which supports local charities and new initiatives through its flexible pricing structure.

WHITSTABLE UMBRELLA COMMUNITY SUPPORT CENTRE

I report to the Charity trustees on my examination of the accounts of the company for the year ended 31 March 2020 which are set out on pages 9 to 19.

Responsibilities and basis of report

As the Charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your Charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- 1 accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the accounting requirements of section 386 of the 2006 Act other than any requirements that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- 4 the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Restricted funds :
Community Development & Engagement fund

The Community Development & Engagement fund (funded by Serco) is an initiative to engage more broadly with the local community and support opportunities for those in need. The Trustees have reviewed the terms of the funding in great detail this year and are of the opinion that this funding was spent on Community Centre activities in previous years and therefore have transferred the fund to unrestricted general funds.

Restorative Training fund

The Restorative Training fund is a grant received from Kent Police in a previous year for the provision of training to raise awareness and understanding of restorative justice practices.

Community Foundation for Surrey - RAISE

This grant (received in a previous year) was for the structural review and development to improve and broaden the range and quality of activities for those experiencing social isolation due to mental health issue, disability, old age and health and wellbeing. The Trustees have reviewed the terms of this funding and are of the opinion that this funding was spent as required in previous years and therefore the balance of this fund has been transferred to unrestricted general funds.

Minibus running costs

A grant received in the previous year from Serco to enable us to cover the running costs of the minibus. The transfer relates to the costs of the minibus in excess of the funding available.

Food Friends

"Food Friends" is an initiative funded by Canterbury City Council, the Big Lottery fund and the David Family Foundation and run by volunteer Anna Mantell, supported by the Umbrella Centre, which aims to provide a befriending service to the people of Whitstable. Anna matches volunteers who love to cook and meet people, with people who, for whatever reason, find themselves unable to cook every day, and would welcome a visit from a friendly soul, bearing a hot meal. Anna currently has outside funding to begin her service, which she hopes to operate with up to 20 volunteers, once the project is fully up-and-running. The transfer to unrestricted general funds represents a contribution towards the administration costs of the project and the purchase of a fixed asset for the project.
